Jer. 32:27, “I AM the LORD, the God of all mankind. Is there anything too hard for Me?”

The Hebrew word for *hard* is **yip pa le** which means *extremely difficult, extraordinarily hard or impossible*. When you think of the LORD our God, you are probably satisfied with the fact that He is creator of all there is. Think of that spectrum for just a little while. He made air, sky, space, planets, stars, galaxies, electrons, protons, neutrons, light, animals, plants, rocks, dirt, and everything else that exists. When you put this into perspective, it is much easier to understand that there can be absolutely nothing that would be difficult for our God.

One year, while I was attending seminary, a question was posed by our professor: Could God make a mountain so big that He could not pick it up? And the answer is: yes, and then He would pick it up. God is able to do things that we cannot even think or imagine. And, because of that, He can meet any need you have. He can forgive any sin that you have committed. He can save any sinner who will call upon Him for salvation.

One day, Job had questioned God about the difficulties he had been through and why. God answers Job in an amazing section of scripture. Take some time today to read these two chapters: **Job 38-39**, but let me just share the first few verses: **1-7** *Then the Lord spoke to Job out of the storm. He said: “Who is this that obscures My plans with words without knowledge? Brace yourself like a man; I will question you, and you shall answer Me. “Where were you when I laid the earth’s foundation? Tell Me, if you understand. Who marked off its dimensions? Surely you know! Who stretched a measuring line across it? On what were its footings set, or who laid its cornerstone—while the morning stars sang together and all the angels shouted for joy?”* Our God is an awesome God Who holds all power in His hands. **NOTHING** is too **HARD** for **HIM!**

Dear Holy LORD, thank You that You hold all power in Your hands and You can accomplish anything. Your power is not comprehensible. What a mighty God we serve. In Jesus Name, Amen
