**Ps. 1:6, “For the LORD knows the way of the righteous, but the way of the wicked leads to destruction.”**

The Hebrew word for *knows* is **yovdea** which means *to watch over, acknowledge or be totally assured*. Have you ever thought about the fact that God is watching over you; in every step you take, in every moment you breathe, every place that you go; He is watching over you. Nothing escapes His vision and understanding.

In today’s society, many wealthy people hire bodyguards to watch over them and keep them safe. These guards are trained to protect and keep their clients from any attacks. Now you can just imagine that they feel much safer knowing that a trained guard is right there with them and always on the lookout for anything that might hurt or harm them.

We have a mighty God, the LORD of all, that is always watching over us and we can be totally assured that He can take care of any and all situations. He is our shield and our fortress. He is our rock that we can cling to. **Ps. 46:1, “He is our refuge and our strength, an ever-present help in times of trouble.”**

And, what is the promise that goes with this fact? **Ps. 1:3, “That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither-whatever they do prospers.”**

**Dear LORD, You know us better than we know ourselves. You are always watching over us to protect us and we can be totally assured that You will continue to do so. Thank You LORD. In Jesus Name, Amen**
