Ps. 33:11, “*But the plans of the Lord stand firm forever, the purposes of His heart through all generations.*”

It is in this passage that we see the Psalmist revel in the dominion and sovereignty of the LORD. Every plan of God is sure. Every purpose of the LORD will come to pass. These plans are immutable. They can never be changed.

You might be asking yourself a question here. What are His plans and am I a part of them? I can surely tell you that every plan our Father has is motivated and carried out by His amazing love for you and me. There is so much security and comfort in knowing that His plans have been revealed and we can know them when we study His Word. His first plan was to have fellowship with man whom He created in His image. Once man fell into sin, the LORD’s plan was to redeem man. This would come at an incredible cost; the life of His only Son, Jesus. But His plans remain. He will come again and correct everything that is wrong. We will get to see what He has in store for all people.

His plans and purposes never change because He doesn’t change. **Jer. 29:11** “*For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.*” Even though these words were spoken to His people, our God is the same. We are now grafted into the promise. **Rom. 1:16**, “*For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes: first to the Jew, then to the Gentile.*”

The purposes of His heart certainly include the fact that He wants to redeem every person He has created. He loves you so much. He proved His love. **Rom. 5:8**, “*But God demonstrates His own love for us in this: While we were still sinners, Christ died for us.*”

Dear LORD, we praise You today that Your plans and Your purposes will be fulfilled. Nothing can change this. You will do what You say You will do. Your heart is so full of love for Your creations. Thank You LORD. In Jesus Name, Amen.
