Luke 12:6-7, “Are not five sparrows sold for two pennies? Yet not one of them is forgotten by God. Indeed, the very hairs of your head are all numbered. Don’t be afraid; you are worth more than many sparrows.”

What an amazing statement. The very hairs of your head are all numbered. Have you ever wondered how many that is? Now I realize that some people seem to not have as much hair as others. But, even though some are lacking with a full head of hair, the follicles are there. So, here goes: Approximately 100 billion have lived since creation. It is estimated by scientist that we have 100,000 hair follicles on our heads. Doing the math, that is $1e + 16$, or ten quadrillion. Even though this is a staggering number for us, for the LORD, this is simple math. For Him, it is easier than $1+1=2$.

Now, what does this mean in the context of what Jesus was saying to a crowd of thousands? Well, in the very next verse: **v. 8** Jesus says: **“I tell you, whoever publicly acknowledges me before others, the Son of Man will also acknowledge before the angels of God.”** It is important for us to grasp the scope of this statement. Since we are worth so much to our LORD and Savior, He is exhorting us to take the good news of salvation through Jesus Christ to this whole world. Yes, the world (all 7.9 billion people) needs to hear the news that our Savior paid the price for all of our sins upon the cross.

Nothing is too big for God. He will help us if we will just call upon Him. Would you ask Him to empower you by His Spirit, to go and tell the amazing love of God covers the horrible sins of the whole world?

Dear LORD, You are so very awesome. You know everything. Nothing escapes Your sight or Your knowledge. Awesome and Mighty is Who You are. In Jesus Name, Amen.
