**Ps. 1:6, “*For the LORD watches over the way of the righteous, but the way of the wicked leads to destruction.*”**

Have you ever come to a place where you needed to make an important decision? Sometimes it is difficult to know which way to turn. When you are going somewhere with someone who’s already been there and is familiar with the area, it is comforting to know that they know the way. Back before GPS, we had to rely on road maps to guide us. There were more than a few times that the map didn’t have the road that I ended up on....

I’m so grateful for our LORD, Who watches over us. He has given us His Word to be our map, and His Spirit to be our guide. With these, we can navigate the roads and decisions of life that are set before us. Earlier, David reminded us that we should be meditating on God’s Word day and night. When we do, the LORD will be watching over us and we will be like a tree that is planted by the streams of water and we will yield fruit, stay strong, and prosper.

David also reminds us in **Ps. 119:105, “*Your word is a lamp for my feet, a light on my path.*”** Our LORD has supplied us with His GPS - God’s Positioning System.

**Dear LORD, I need Your guidance in every step I take. Help me to turn to You before I make any turns in my life. Please lead me today to the people and the places that You have for me so that I can be used in Your way and not my own. In Jesus Name, Amen.**
