

**May 18, 2022**

The Lord wants you to experience real and abundant life:

**Gal. 6:9** *Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.* (NIV)

Have you ever been at that point when things just seem hopeless? I think we all have. Life can sometimes be frustrating and arduous. But then I am reminded that this is really not what life is about. It's not about things or jobs or location, finances or accomplishments, but it's about Him. Who or what do you treasure? **Mt. 6:21** *For where your treasure is, there your heart will be also.* (NIV)

To enjoy the abundant life that the LORD has for us, we must remember where our focus should be. It is all about Him and others. Love God and love people. And when you are serving, giving and loving, you will feel the presence of the LORD in the midst of your day. When we focus on His plan and His purpose, we start to experience His Spirit bearing witness with our spirit, that we are His. **Mt. 6:33** is the recipe for daily living: *But seek first His kingdom and His righteousness, and all these things will be given to you as well.* (NIV)

Paul reminds the Galatians that they just needed to keep on keeping on. It is easy to become weary, but it is a blessing when we stay steadfast and faithful. Why? Because at just the right time, we will reap a harvest if we just keep going. It is so much easier to give up than to keep going.

**Dear LORD, we call upon You for Your strength and help to keep our eyes on You. We don't need the things of this world. They will not meet our needs. Only You are the answer to our lives. Help us today LORD. In Jesus Name, Amen**
