The Lord wants you to live in His liberty and freedom.

Ps. 20:4-6 May He give you the desire of your heart and make all your plans succeed. May we shout for joy over Your victory and lift up our banners in the name of our God. May the Lord grant all your requests. Now this I know: The Lord gives victory to His anointed. He answers him from His heavenly sanctuary with the victorious power of His right hand. (NIV)

King David knew and experienced this desire in his heart. He wanted the LORD to be praised and that His kingdom would prosper. When our desires coordinate with the LORD's, we will see and experience His 'full-on' blessings. He will give us victory in places of former defeat. He will be lifted up and exalted because of His great and wonderful works. We, as believers, should be shouting for joy because of the victories that God has given. We need to be excited and full of the Spirit of the LORD.

Jehovah Nissi is a picture of the banner that went before the armies of the LORD. He is the standard and people need to know Who we are fighting for. He is worthy. We must give Him our all. It is for the glory of His Great Name. And His name should go before us as our banner of victory. When we go out in His name, He will empower us with His mighty right hand. This is the ultimate power of the LORD of all. Nothing can withstand it. Nothing can defeat it. Nothing will ever overcome it. There truly is victory in the name of Jesus and in the power of His Word.

Dear LORD, You have done so much for us already. You have blessed us with Your grace in our salvation. You have given us Your Spirit to live with us. You are preparing a place for us in Your presence where we will be with You forever. You give us victory over those things that once so easily beset us. Thank You for Your victorious power. In Jesus Name, Amen
