The Lord wants you to live in His liberty and freedom.

Dt. 20:4 *“For the LORD your God is the one Who goes with you to fight for you against your enemies to give you victory.”* (NIV)

Everybody knows one. He was the kid that could throw the ball farther, run faster and was always the first one chosen when someone was picking a team. You always wanted that person to be with you because you knew you had a better chance at winning. How about having the LORD your God with you? He is the all-time, undefeated champion! His record is perfect, and no one can stand against Him. He speaks and it is done.

With that said, He is the One that goes with us. He is always with His children. He loves to watch over and protect His children. It is Who He is. He is our provider and protector. Now could He send angels to watch over you? Surely He could, but He comes because He is our God Who personally is involved with His children. He doesn't pawn us off on a spiritual baby sitter. He is there for us and always will be. His Spirit resides in us and with us continually. Because of Him, we will be like Paul put it in **Rom. 8:37-39** *No, in all these things we are more than conquerors through him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.* (NIV) Now that, my brothers and sisters, should give you freedom to move forward, no matter what obstacles may stand in your way.

Dear LORD, You are Mighty God! You fight for Your children and will always bring us to victory. No one can stand against You. In Jesus Name, Amen
