The Lord wants you to live in His liberty and freedom.

Isa. 40:29 *He gives strength to the weary and increases the power of the weak. (NIV)*

I think all of us would say that some days we are just worn out. We are weary of the daily demands that pull at us. We are sometimes overwhelmed by the requests that seem to give us ultimatums. In fact, you may feel like you want to just throw in the towel. But when we look to the LORD and remember that with Him, all things are possible, then we can also know that He will strengthen us to be able to face whatever the situation might be.

Not only will He give us the strength, but He will also empower us to be victorious in any and all situations. I know that when I see God come through, it just reminds me that next time that I need Him (which parenthetically comes around very soon), He will not only give me the power to face it, but He will give me even more than I would ever think or imagine. What seemed to once be impossible is now more than possible in His strength. There is nothing too difficult for My God!

Isaiah reminds us in the following verses that He will give us strength like the eagle who soars above the earth. We too will soar above the problems and struggles because He has given us the power that we need. Oh, if only we would continuously rely on Him and come to Him for all of our needs, He would open the storehouse of Heaven and fill us over and over again. Call upon Him. Come to Him. Rely upon Him today.

Dear LORD, thank You for the way You give us strength to face every obstacle that comes our way. You are all that we need! In Jesus Name, Amen
