**The Lord wants you to live in His light.**

***Daniel 2:22 He reveals deep and hidden things; He knows what lies in darkness, and light dwells with Him. (NIV)***

Today, we discover another aspect of revelation from the LORD. Daniel had prayed that the LORD would help him interpret the king's dream and the meaning of it. He knew the only way that this would happen is if the LORD would illuminate and bring wisdom to Daniel. Here we see the incredible importance of prayer. Those who truly pray understand that we need to call upon the only One Who understands all things. This reminds me of when I was a young boy. My Mom had subscribed to the Highlights Magazine for children. We would be so excited when it came because there was a page that had a very busy page of pictures, and we were to find the hidden items in it. I loved that and it helped me look beyond what I might see with a casual glance.

This is what prayer does for us. It allows the Father to be involved in our lives. He will never 'push us around' and make us do things. He has given us free will to listen to Him and follow His law. His word is a lamp for us that enlightens our path and gives us a glimpse of His great wisdom. Call upon Him and He will shine His light upon every situation.

**Dear LORD, we know that You know all things. Help us to come to You in every situation because we know that You are able to guide and direct us in the ways we should go. In Jesus Name, Amen**
