**Because God loves you, He Provides- Part 65**

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by providing **His fulfilling** love to you. **Rom. 13:10** *“Love does no harm to a neighbor. Therefore love is the fulfillment of the law.”*

The Hebrew word for **fulfillment** in this passage is *pleroma* which means *to fill up to the top or to bring to completeness*. The love that God has given us is a completion of His purpose for us. He wants every person to know and experience how much He loves them. It is the completion of His law and His plan for everyone. It was and is because of His love that everything He has or will do is completed. **Phil 2:9** *“It is God Who works in you both to will and to do His good pleasure.”*

This term of fulfillment has an interesting picture. It is the same term that is used when you order something online from some large corporation. Through the maze of computer technology, the order is taken, processed and finally delivered to your door. The place where these orders are completed is called the fulfillment center. Love is God's fulfillment to you. He wants you to get exactly what He has ordered according to His will and purpose for you. And by the way, He never makes a mistake on your order. When you call upon the LORD, you get more than you could ever think or imagine. So, why don't you call upon Him today? He will meet every need according to His riches in glory by Christ Jesus. His love will flow freely to you and He is patiently waiting for you and me to come to Him; to abide in Him. Place your order with Him today and it will be lovingly fulfilled. And, by the way, it will be better than anything you thought it could be. **Eph. 3:20** *“Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us, to Him be the glory in the church and in Christ Jesus to all generations forever and ever. Amen.”*

**Dear Father, Your love for us is the fulfillment of all that You have for us. You continually love us with no boundaries. You will always love us. It is Who You are. You are love. Thank You! In Jesus Name, Amen**
