## Because God loves you, He Provides- Part 112

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by **His protecting love**. **2 Thess. 3:3** *“But the Lord is faithful, and He will strengthen and protect you from the evil one.”*

The Greek word for *protecting* is *phulaxei* which means *on guard, ever watching over, with the purpose of total protection*. Yesterday we talked about the hedge of God around His people. Today we see that not only has he placed a hedge around us, but He also stands by to guard us and protect us. We certainly need the protection of our Mighty God. There are so many things and people in this world that can do major damage to our lives. We have a Father that is ever watchful and can handle any attacks that might come our way. Nothing is too difficult for our God. If you feel worried or stressed, you can be confident in the fact that He is here. He will always be here. He will not leave you or forsake you, but instead He will be right by your side and residing in your life. We can always turn to Him for help.

In the hymn *Turn Your Eyes Upon Jesus*, there is a wonderful thought that we can meditate upon: *Turn your eyes upon Jesus, look full in His wonderful face, and the things of earth will grow strangely dim, in the light of His glory and grace*. Let us all remember that He is with us, watching over us, guarding our ways and offering the best protection that could ever be given. All He desires from us is to keep our eyes upon Him and listen to His voice; then we can walk in His pathway and be obedient to His call.

**Dear Father, You are ever watching over us. You love us so much more than we could ever imagine. Thank you that You never take a break or fall asleep and leave us unguarded. We thank You and praise You. In Jesus Name, Amen**
