Because God is loyal and faithful

Ps. 24:1 *The earth is the LORD's, and everything in it, the world, and all who live in it*

I know that I make this statement very often. Our LORD is in control. He's in control of every part of everything in this universe. He is in control of the forces of nature; the cells in your body; the color of a butterfly's wings; everything.

As He told Job when Job questioned Him. He set the boundaries of the world. He tells the winds when to blow. He laid the foundations of the earth. He set the seas in their places. He told each star its name and where to reside. He knows when every child is born and every animal as well. He causes the flowers to bloom and the oxygen levels to be just right for us to breathe. He gives the bees the way to communicate. He tells the rooster when to crow.

As I meditate on this fact, it just reminds me of how truly awesome the LORD is. Everything that has been made, came from Him. As the Psalmist David said, ***"Where can I go from Your Spirit? Where can I flee from Your presence? If I go up to the heavens, You are there; if I make my bed in the depths, You are there. Ps. 139:7-8***

Be reminded today, that our God is ALMIGHTY! He is ALL POWERFUL! He is everywhere, always. He owns everything because He made everything. Anything we have is because He has given it to us or the ability to acquire it. Make no mistake. This world is not owned by Amazon, Microsoft, Twitter or any other company. It is owned by God Himself. We are to be good stewards of that which He has allowed us to have.

Dear LORD, You are God of all the universe. You hold it all in Your hands. You will always be in control. Help us to honor You this very day. In Jesus Name, Amen
