Our God Is LORD

Ps. 24:5-6 *They will receive blessing from the LORD and vindication from God their Savior. Such is the generation of those who seek Him, who seek Your face, God of Jacob.*

The Hebrew word for *blessing* is **verachah** which means *a generous blessing, benefit or complete peace*. Those that may enter the Holy Place of God's presence will receive from Him, His blessing. Paul refers to this in **2 Tim. 4:7-8** *I have fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the LORD, the righteous Judge, will award to me on that day-and not only to me, but also to all who have longed for His appearing*. Not only do we receive eternal life in a perfect place where there is no sin, no sorrow, no sickness, and no pain; but we also receive a reward that we may then lay at the feet of Jesus in thanks for what He has done for us! I can only imagine the scene of millions of people placing their crowns at His feet in a glorious show of thankfulness.

The Hebrew word for *vindication* is **teshuah** which means *to bring deliverance or salvation*. It is the LORD Who brings us deliverance from our sin debt and salvation from eternal separation. What a blessing this is that we receive from the Father Who loves us so. To be delivered from our own deeds that have brought judgment, means to be seen as justified; brought into a right balance with God. Everything has been made right that was totally wrong. That is the picture of God's mercy and His grace.

**Dear LORD, thank You for Your blessing and Your vindication. We don't deserve this, but we are so grateful for it. You paid a price that You did not owe for us. Praise You LORD!
In Jesus Name, Amen**
